2. I called Miss Adams, Assistant to Senator McCarran, regarding Item No. 1. She told me that she passed on all the hiring and that she had not heard of the name of [redacted] and did not believe there was any truth to the report. However, she will check and call me back. STATINTL

3. Col. Edwards informed me that the FBI was considering a full investigation of one of our cleared consultants, Mr. A., and wished to know whether his case came within the loyalty program. I talked with Mr. Meloy, Executive Secretary of the LRB, who informed me that if a man is under contract he becomes an independent contractor and therefore not a Federal employee. If, however, he has even a WOC appointment he is a Federal employee and comes within the loyalty program. However, if there are certain positions here which we wish to have exempted from the investigative phases of the loyalty program, we should make a formal submission to the Board, who will then clear it through the Civil Service Commission.
